

# Every Veteran Has a Story

WHAT'S YOURS?

**VOICES OF VETERANS** is a writers group, open to all military veterans, at no cost to you. It is a community of veterans for veterans designed to provide an opportunity to learn the art of storytelling. We assist each other through writing exercises, discussion, and by studying the methods and writing style of other veteran authors. Together we learn to tell our stories.

There is no time like the present to preserve your memories, relive the joy of your camaraderie, share your experiences or just get them out of your head and on paper. Writing is part of the mission.

All participants will receive a copy of Andrew Carrol's *Operation Homecoming*.

PARTICIPANTS WILL BE ELIGIBLE TO HAVE THEIR WORK PUBLISHED IN THE *VOICES OF VETERANS LITERARY MAGAZINE* AT THE COMPLETION OF THE PROJECT.
